

## Project Update

Tony McPaul  
Manager  
Special Projects

### Careers in mining

One of the great benefits of the McPhillamys Gold Project is the boost it will give the local community — including jobs, training and apprenticeship opportunities.

Mining offers a huge range of career and job opportunities for men and women of all ages and skill levels.

To help get the word out about careers in mining, the NSW Minerals Council is holding a free information night and dinner for local school students, next month.

It's a great chance to talk to people in mining about their work and the different pathways to get into the industry.

Local school students interested in jobs, training and careers in mining should consider coming along to this free event. Bookings are essential so please register at: [nswmining.com.au/careers\\_dinner](http://nswmining.com.au/careers_dinner)

Above: Regis Resources 2021 Champions (L-R) Ian Hobby, Bill Davis, Mark Petersen, Tony Smith and Jason Davis.

### 2021 Golf Champions

Local golfers recently competed in the Regis Resources 72-hole Championship event at Blayney Golf Club. Congratulations to everyone who competed and to the following winners:

Jason Davis, Tony Smith, Garry Keen, Mark Peterson, Billy Davis, Lochie Hobby, Ian Hobby, Wayne Newstead, Jordan Hobby, Bill Davis, Danny Stammers and Tony Bowers.

Congratulations also to the club staff and volunteers who put in long hours organising and preparing for this popular annual event.

Regards,

**Tony McPaul,**  
Manager Special Projects, Regis Resources
