Special Projects*

### **Support for community causes at Christmas**

As we head towards Christmas I've been thinking about what a roller coaster year it's been. Amongst the challenges there have been many positives, including the way people reached out to friends, family, neighbours and total strangers when things got tough.

In Blayney, we are lucky to have a number of local groups and organisations who do a lot to lift community spirit and assist those who need a hand.

Regis is pleased to offer support to a number of those groups with donations for their charitable work and other

community activities planned for 2021. They include:

- St Vincent de Paul, Blayney
- Blayney Farmers' Markets
- Blayney Public School
- Blayney High School
- Blayney Meals on Wheels
- Can Assist Network, Blayney
- Central Tablelands Landcare.

These organisations, their staff and their volunteers contribute a great deal towards making Blayney the great town that it is. On behalf of the Regis team I'd also like to thank our neighbours and the many other local people we have worked with during 2020 - in meetings, in shops and businesses, at events or just out and about.

To all, our best wishes for a very Happy Christmas and a safe and healthy 2021.

Regards,

**Tony McPaul**

**Regis Resources**

*Regis is helping to fund a water tank for the Central Tablelands Landcare (CTL) nursery in Bathurst. Pictured above are Danielle Wallace (Regis) and Sue Wakefield (Landcare) inspecting the 4,000 native trees being grown at the nursery from seeds collected at McPhillamys. These will be planted in 2021 to extend native tree corridors and improve biodiversity across the site.*

### **Meals on Wheels Christmas Day Community Lunch and Dinner**

*Regis is pleased to support the Blayney Meals on Wheels 2020 Christmas Community Event.*

*Meals on Wheels and the Exchange Hotel are providing free lunches and dinners at midday and 6pm.*

*To book, call Suellen (6368 3786) or Luke (0427 688 447) by Monday 21 December.*
