

McPhillamys Gold Project

Fact Sheet #14—Community Consultation

Working with our neighbours and the community

Regis Resources is committed to being a good neighbour and operating in a socially responsible manner. Since 2013, Regis has worked continuously to engage and consult with our neighbours, the communities of Kings Plains and the Blayney Shire, and other project stakeholders.

We have an open invitation for people to call in to our office in Blayney any time during office hours, Monday to Friday. Our consultation and communication will continue as the project progresses through the application and assessment process.

Consultation to date

- Over 2,000 meetings with neighbours, landholders and other local stakeholders.
- Regular presentations to local community groups.
- Quarterly Community Information Sheets distributed to households across the Blayney Shire.
- Pop-up information stalls at the Blayney Show, Blayney Farmers' Market and local shopping centres.
- Fortnightly advertisement in the Blayney Chronicle to provide news and updates.
- Fortnightly e-newsletter to over 1,300 registered businesses and individuals.
- Community Open Days in 2018 and 2019 — drop-in events to share project details and updates with the community.
- Regular Community Consultative Committee meetings

What's coming up next

- Community Consultative Committee meetings.
- Pop up information stand at local shopping centres and markets.
- Quarterly Community Newsletter.
- Ongoing face-to-face meetings with our neighbours and stakeholders seeking project information.
- Continuing discussions with local Aboriginal representatives regarding cultural and heritage issues.
- Briefings on request for neighbours, local residents and community groups.
- Face to face updates for local businesses.
- Continuing discussions with near neighbours regarding Negotiated Agreements.
- Public Hearing regarding the Project (when the Project is referred to the NSW Independent Planning Commission for determination).
