Project Update

Farewell 2022

On behalf of Regis Resources and our Blayney team I'd like to extend thanks and best wishes to the Blayney community for

Christmas and the New Year. It's been a very busy year for everyone involved with our project and we greatly appreciate the support, patience and understanding extended to us throughout the long assessment process.

New hearing dates

By now, many will be aware that the December public hearings for the McPhillamys

project were postponed due to the sudden and tragic passing of one of the Independent Planning Commission (IPC) panellists. The IPC has advised that new hearing dates have been set for 6-8 February 2023. For more information about the public hearings go to:

<https://www.ipcn.nsw.gov.au/projects/2022/11/mcphillamys-gold-project>

We hope to have the final decision on McPhillamys in the first half of 2023.

Until then, we extend our best wishes to everyone for a safe and happy holiday season. We look forward to catching up with you in the New Year.

Regards,

Kath Logan

Regis Resources wishes everybody in our community a Merry Christmas and a Happy New Year.

We hope the festive season is a peaceful, fun and safe time for all.

The Regis Blayney office will be closed from midday 23 December, reopening 3 January 2023.
