Manager

Happy New Year

It's good to be back on deck and welcoming in the New Year. We hope that everyone managed to have at least a few days off to rest and recharge over the Christmas break.

It will be a busy start to the year for many of us, with Independent Planning Commission public hearings on the McPhillamys Project scheduled for 6,7 and 8 February 2023.

The IPC is inviting written submissions on the project until 15 February. For information on how to prepare a submission go to:

<https://mcphillamysgold.com/the-project/have-your-say/>

Are you prepared?

It's that time of year when we are on alert for grass and bush fires. To prepare or update a fire plan for your home or farm, check out the Rural Fire Service website: <https://www.rfs.nsw.gov.au/plan-and-prepare>. The NSW RFS Fires Near Me app is a helpful tool to track fires in NSW and is available on the app store.

Volleyball success

For a small community Blayney often punches above its weight when it comes to sport—the Blayney High Boys Volleyball team is a great example.

A big shout to the boys, their coaches, and supporters following a great run at the 2022 National Schools Cup on the Gold Coast in December!

Regards,

Kath Logan
