Blayney Show 2023

This year's Blayney Show is only weeks away and after a year of good rain and ideal farming conditions it promises to be a great event. Cattle and other livestock are looking good and the food, flower and produce displays will be very competitive.

Can you help?

As well as being an important event for locals, the Show attracts hundreds of visitors to Blayney. But, it all takes a lot of work and it's all done by volunteers.

The Show Society needs extra volunteers to help make this year's event a success. If you can help, the organisers would love to hear from you (see right for contact details).

Regards,

Kath Logan
External Relations Manager
Regis Resources

Volunteers Needed!

The Blayney Show is fast approaching and the Blayney Agricultural and Pastoral Society is looking for volunteers or local groups to help run the event.

Last year's event was a huge success and it was all down to the very hard work of dozens of volunteers. This year's Show promises to be another great event but they need more volunteers to make it happen.

Volunteers assist with parking, horse stewarding, kitchen/BBQ duties and other areas — and no experience is necessary. If you can help, please call:
