Merry Christmas and Thank You

The Regis Blayney team would like to wish everyone in our community a very Merry Christmas and a safe, healthy and happy holiday season.

We'd also like to thank our neighbours and the people of Kings Plains, Blayney and surrounding communities for their understanding and patience over the past year.

We look forward to working with everyone as we progress the McPhillamys Gold Project towards the Final Investment Decision in 2024.

Need help promoting your local community service or event?

Regis regularly supports local charities and community organisations by promoting their services and events in this fortnightly update.

The updates are also promoted on Facebook and Instagram.

If you'd like to promote your services or events in 2024 please get in touch with our Community Relations team at nsw_enquiries@regisresources.com Priority will be given to volunteer and community organisations providing support for people in Blayney and the Blayney Shire.

Kind Regards,

Kath Logan
External Relations Manager
Regis Resources
