Blayney Community Pantry supporting our local families

We've all felt the pinch of rising prices one way or another, and many local families feel it hardest when they do the weekly food and grocery shop.

So, it's no surprise that the Blayney Community Pantry is busier than ever. Run by Abundant Life Community Care, the Pantry is open from 10am-12pm on Mondays, offering free bread and fresh produce, along with heavily discounted frozen meat and grocery items.

Community Pantry volunteer Jenny Summerson said they

were always grateful for donations of cash or groceries to help keep the service going.

"We don't receive government grants and all of our wonderful team are volunteers, so donations are always welcome," Jenny said.

"Because we are a registered charity any monetary donations are tax deductible (over two dollars).

"We also need dry goods, toiletry and cleaning products."

If you'd like to help out please text or call Jenny Summerson on 0412 668 964 or email: jennysummerson@gmail.com.

The Pantry is located in front of the Abundant Life Church, 118A Adelaide Street, Blayney.
